

Rebate Guidelines

1. Applicant must be the member of record for an active, non delinquent account.
2. Rebates available for residential, multifamily, and commercial members.
3. Rebates available for second refrigerators or freezers. Rebates not available for primary refrigerators.
4. Refrigerator or freezer must be located at the address stated on the account.
5. Refrigerator or freezer has to be greater than 10 cubic feet in size (up to 30 cubic feet).
6. The unit must be clean and in working condition.
7. Refrigerator or freezer must be plugged in and cooling for on-site visit.
8. Rebate is \$75 per unit. Maximum of two units per member.
9. Member must submit application before taking appliance to recycling center.
10. Recycler Verification form must be signed by a recycling center employee and submitted to Lumbee River EMC within 60 days of receiving the form.
11. Failure to provide required information may result in denial of the rebate.
12. Rebates are rewarded on a first-come, first-serve basis until program funds have been depleted.
13. Lumbee River EMC reserves the right to amend or discontinue this program without notice.
14. Rebates are available for units recycled on or after April 26, 2010.

A Touchstone Energy® Cooperative

Second Refrigerator and Freezer Turn-In Rebate

**Receive \$75 for
your old, working
refrigerator or
freezer!**

That old working refrigerator or freezer in your garage can be costing you more than you realize. That's why Lumbee River EMC is offering a \$75 rebate for recycling your second refrigerator or freezer.

Second Refrigerator and Freezer Turn-In Rebate APPLICATION FORM

That old working refrigerator or freezer in your garage or basement could be running up your electric bill. It could be using as much as three times the energy of a new one. Lumbee River EMC members may qualify for a \$75 rebate for recycling their old second refrigerator or freezer. **Certain restrictions apply: see Rebate Guidelines.**

I would prefer: (check one)

\$75.00 Rebate Check

Donate \$75.00 rebate to LREMC Cares

This program is administered by community service agencies to assist Lumbee River members in a crisis situation with their electric bill.

REBATE PROCESS

1. Submit application before taking appliance to recycling center.
2. Once the application is accepted, a Lumbee River EMC representative will contact you to schedule to an on-site visit. (Measurement and verification purposes)
3. During the on-site visit a Lumbee River representative will verify that the unit is in working condition and mark the unit with an "X" and remove or cut the cord. The recycler verification form will also be issued at this time.
4. You are responsible for transporting the refrigerator or freezer to the recycling center. Visit www.lumbeeriver.com to view a list of recycling centers in your area.
5. The recycler verification form must be signed by a recycling center employee.
6. Rebates will be processed within 3-5 weeks after the application and recycler verification form is received. Submit application and signed recycler verification forms to:
