

System Requirements:

- When replacing an existing Central AC or Heat Pump unit, the old unit must not have a seasonal energy efficiency ratio (SEER) greater than 13.
- When replacing an existing geothermal unit, the old unit must not have an energy efficiency ratio (EER) greater than 17.

Program Guidelines:

1. Applicant must be the member of record for an active account.
2. Rebates/Low interest loans are available for residential members only.
3. Member must choose either a rebate or low interest loan.
4. Maximum of two rebates per dwelling.
5. Member must pay off outstanding loan before applying for another loan.
6. Rebates/Low interest rates are based on system efficiency.
7. Additional requirements and/or conditions may apply.
8. Failure to provide required information may result in denial of the rebate/loan.
9. Lumbee River EMC reserves the right to amend or discontinue this program without notice.
10. Rebates/Low interest loans are available for systems installed on or after January 1, 2011.

By my signature, I certify the information in this application is true, and I have read and understand the program guidelines.

Rebate or Low Interest Loan:

Circle the rebate or low interest rate you are applying for from the chart below.

| Eligible HVAC Systems | Rebate | Interest Rate |
|---|--------|---------------|
| High Efficiency Central AC (15 SEER) | \$25 | 5.90% |
| High Efficiency Central AC (16 SEER or greater) | \$50 | 5.85% |
| High Efficiency Heat Pump (15 SEER) | \$60 | 5.80% |
| High Efficiency Heat Pump (16 SEER or greater) | \$195 | 5.55% |
| Geothermal Heat Pump (19 EER or greater) | \$350 | 5.56% |

Rebate Process:

1. Select a Lumbee River EMC Pre-Qualified Contractor to install a heating & cooling unit. Contractor lists are available at www.lumbeeriver.com or at any Lumbee River EMC office location.
2. Submit the following information after the work is completed:
 - Completed incentive form
 - Copy of detailed invoice with seasonal energy efficiency ratio (SEER).
 - Copy of AHRI certificate of Product Rating
 - * Contractor can provide this certificate upon request.
3. The rebate will be processed within 3-5 weeks after the properly submitted application and supporting information are received.

Loan Process:

1. Complete and submit incentive form and weatherization loan application. Applications are available at www.lumbeeriver.com or at any Lumbee River EMC office location.
2. Once pre-approved, select a Lumbee River EMC Pre-Qualified Contractor and submit estimate.
3. Once the necessary documentation has been signed, a Lumbee River EMC Representative will notify the contractor.
4. Contractor submits invoice to Lumbee River EMC upon completion and the loan payments are conveniently added to the member's electric bill for the term of the loan.
 - * Loans of \$2,000 or less will be secured as a signature loan.
 - Loans in excess of \$2,000 will be secured by a deed of trust against the home and property.
