

System Requirements:

Solar Water Heater

- All solar collectors must have OG-100 certification by the Solar Ratings and Certification Corporation (SRCC). All solar water heating systems must have SRCC OG-300 certification.
- The system must be installed by a North American Board of Certified Energy Practitioner (NABCEP) certified solar contractor and have all NC licenses and certifications.
- The system must be permitted and inspected by the authority having jurisdiction.
- The system must be either drain back or glycol in design.

Program Guidelines:

1. Applicant must be the member of record for an active account.
2. Rebates/Low interest loans are available for residential members only.
3. Member must choose either a rebate or low interest loan.
4. Maximum of two rebates per dwelling.
5. Member must pay off outstanding loan before applying for another loan.
6. Rebates/Low interest rates are based on system efficiency.
7. Additional requirements and/or conditions may apply.
8. Failure to provide required information may result in denial of the rebate/loan.
9. Lumbee River EMC reserves the right to amend or discontinue this program without notice.
10. Rebates/Low interest loans are available for systems installed on or after January 1, 2011.

WATER HEATER INCENTIVES

Eligible Water Heaters	Rebate	Interest Rate
Water Heater (EF>0.95 or greater)	\$45	0%
Marathon Water Heater	\$75	2.50%
Heat Pump Water Heater	\$425	4.00%
Solar Water Heater	\$850	1.50%

WATER HEATER INCENTIVES

Member Information:

Name: _____

Service Address: _____

_____ Zip: _____

Mailing Address: _____

_____ Zip: _____

Daytime Phone: _____

Account No.: _____

Signature: _____ Date: _____

By my signature, I certify the information in this application is true, and I have read and understand the program guidelines.

Rebate or Low Interest Loan:

Circle the rebate **or** low interest rate you are applying for from the chart below.

Eligible Water Heaters	Rebate	Interest Rate
Water Heater (EF>0.95 or greater)	\$45	0%
Marathon Water Heater	\$75	2.50%
Heat Pump Water Heater	\$425	4.00%
Solar Water Heater	\$850	1.50%

Rebate Process:

1. Select a Lumbee River EMC Pre-Qualified Contractor to install water heater. Contractor lists are available at www.lumbeeriver.com or at any Lumbee River EMC office location.
2. Submit the following information after the work is completed:
 - Completed incentive form
 - Copy of detailed invoice with Energy Factor (EF).
 - Copy of AHRI Certificate of Product Performance.
** Contractor can provide this certificate upon request.*
3. The rebate will be processed within 3-5 weeks after the properly submitted application and supporting information are received.

Loan Process:

1. Complete and submit incentive form and weatherization loan application. Applications are available at www.lumbeeriver.com or at any Lumbee River EMC office location.
2. Once pre-approved, select a Lumbee River EMC Pre-Qualified Contractor and/or NABCEP certified solar contractor and submit estimate.
3. Once the necessary documentation has been signed, a Lumbee River EMC Representative will notify the contractor.
4. Contractor submits invoice to Lumbee River EMC upon completion and the loan payments are conveniently added to the member's electric bill for the term of the loan.
** Loans of \$2,000 or less will be secured as a signature loan. Loans in excess of \$2,000 will be secured by a deed of trust against the home and property.*
